Rancho Cucamonga Marching Bands and Colorguard Booster Association

Dear Potential RCMC Supporter,

The Rancho Cucamonga Marching Bands and Colorguard Booster Association (RCMC) supports the Rancho Cucamonga Music program by seeking donations, and financial support from individuals, businesses, and community organizations.

We are a non-profit 501 (c)(3) organization that seeks to provide opportunities for students to have an enriching musical education and opportunities beyond what the local schools are able to supply. Your donation helps the Booster organization provide students with performance opportunities, lessons, professional training and needed supplies for the variety of events in which they participate.

The Marching Cougar Booster Association wants every student to have the opportunity to go higher and further with his or her musical skills and abilities. We need your help and support! Your tax-deductible donation will help our students achieve their musical goals. Your donation will make a huge difference to our program.

In return for your donation, we will advertise you, your business, or organization as one that supports music in the schools and our ongoing efforts to enrich the community's and school's musical offerings. Sponsors will be acknowledged on our website, https://www.rcmarchingarts.com/, and on our trailers which are used at local performances, local competitions, and long-distance competitions

Thank you in advance for supporting music at Rancho Cucamonga High School and in your community. Please reach out to me with any questions.

Sincerely,

Charles Karsch
President, RCMC
